

Passione.
Gusto.
Design.

Serving the best of Italy,
one cup at a time.

**MC-1
BARISTA
PRO**

Serving
the best
of Italy,
one cup
at a time.

E&P
BIEPI

Since 2003 we have been designing, producing and distributing equipment with a mission to optimise the quality of service in coffeehouses, hotels and restaurants.

Driven by our passion for the world of coffee and hot beverages, we are constantly developing new products, all entirely made in-house at our company headquarters in Italy.

Our flexibility and experience allow us to adapt our machines to all needs, always guaranteeing the desired result.

In line with our commitment to ongoing innovation, we hold numerous patents for innovative systems that improve the functioning of our machines and facilitate the work of baristas, coffee roasters and wholesalers.

All BIEPI products are guaranteed and certified.

**Designed and
constructed in Italy**

MC-1 BARISTA PRO

Designed
to reach
the **perfect**
temperature.

New technology

specifically designed to reach the **perfect temperature for each independent brewing group**, which allows extract any blend of coffee to perfection. Set the temperature, push the button and taste the best of a cup of espresso!

Energy saving and high performance:

forget high costs on the way to reaching the perfect temperature. Get the most out of your espresso machine with low energy consumption.

Electronic boiler temperature setting: the **ideal pressure is kept constant** at all times.
