SARA

Serving the
best of Italy,
one cup
at a time.

Since 2003 we have been designing, producing and distributing equipment with a mission to optimise the quality of service in coffeehouses, hotels and restaurants.

Driven by our passion for the world of coffee and hot beverages, we are constantly developing new products, all entirely made in-house at our company headquarters in Italy.

Our flexibility and experience allow us to adapt our machines to all needs, always guaranteeing the desired result.

In line with our commitment to ongoing innovation, we hold numerous patents for innovative systems that improve the functioning of our machines and facilitate the work of baristas, coffee roasters and wholesalers.

All BIEPI products are guaranteed and certified.

* The 3M™ DI-NOC Dry Wood Matte adhesive finish ensures excellent resistance to stains, abrasion, wear and tear, and mould. DI-NOC finishes are CE branded according to the 89/106/EEC construction products directive and tested according to the EN 15102: 2008 decorative wallcoverings standard. The "Dry Wood Matte" family faithfully reinterprets the tactile qualities of wood in a completely natural way. The "Abstract Earth Matte" family faithfully reinterprets the tactile and visual qualities of stucco, ceramic and rust with a matte finish. Does not contain real wood.
