A 20-YEAR JOURNEY
ONE CUP AT A TIME

biepi

PASSIONE. GUSTO. DESIGN.

Since 2003 we have been designing, producing and distributing equipment with a mission to optimise the quality of service in coffeehouses, hotels and restaurants.

Driven by our passion for the world of coffee and hot beverages, we are constantly developing new products, all entirely made in-house at our company headquarters in Italy.

Our flexibility and experience allow us to adapt our machines to all needs, always guaranteeing the desired result.

In line with our commitment to ongoing innovation, we hold numerous patents for innovative systems that improve the functioning of our machines and facilitate the work of baristas, coffee roasters and wholesalers.

All BIEPI products are guaranteed and certified.
