

Maya

MayaM
MayaM

Versatile and multifunction.

Maya is a versatile, multifunction machine with patented technology for the preparation of delicious hot chocolate and cold beverages like milkshakes and iced coffee. The patented BIEPI system simplifies the work of baristas,

requiring no operator intervention as it automatically replicates the cooking of hot chocolate with the steam wand, or the blending of cold beverages like milkshakes and iced coffee.

Automatic management and **programmed** cycles

Cold beverage mixer

Milk frother for cappuccino

Maya

Dimensions	24,3 x 30,8 x 45,2 cm
